

XACCOUNTS

Financial Accounting Solution

FINANCIAL ACCOUNTING SOLUTION

XACCOUNTS is a complete financial suite designed to integrate with your industry- and company-specific applications. The application provides real-time financial visibility and control across people, processes and systems.

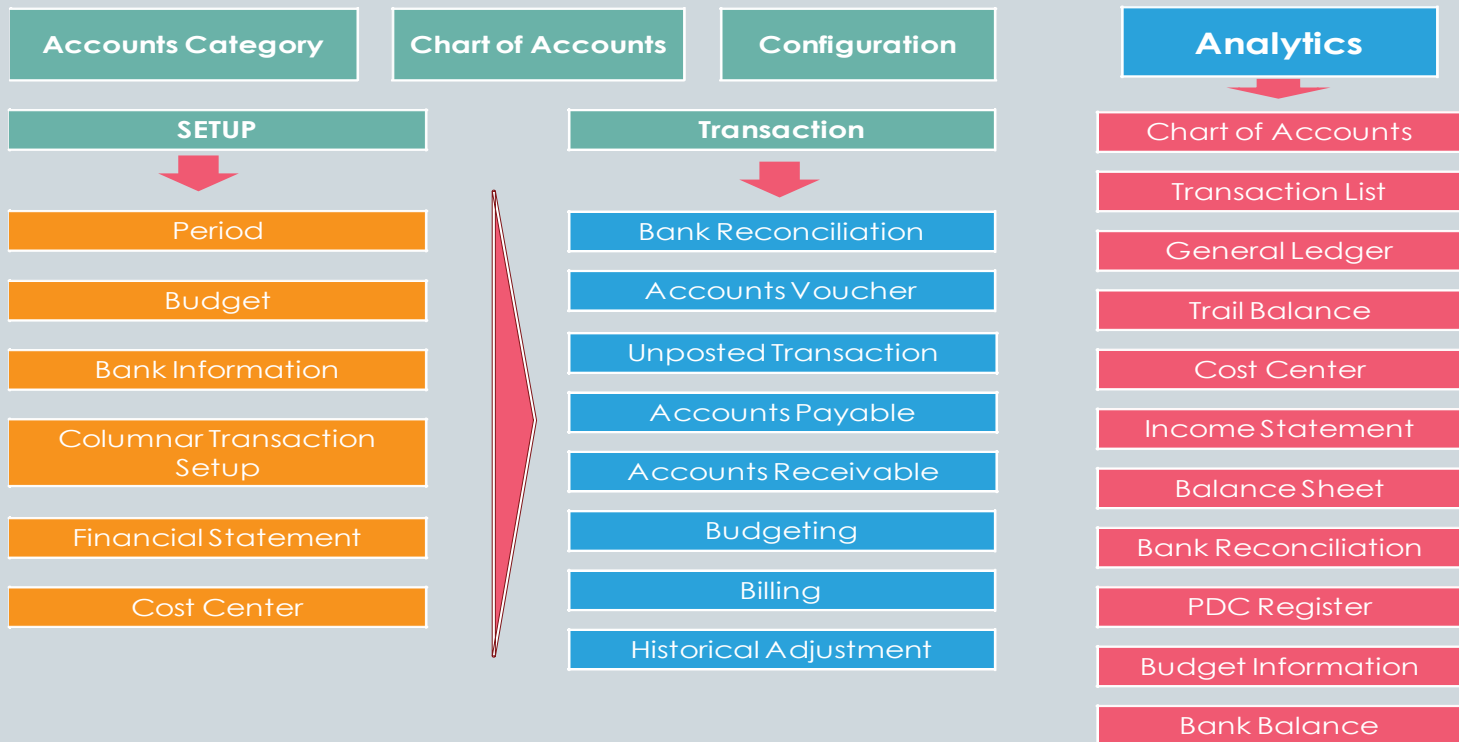

Effective business management has at its core proficient financial management. It's vital to have the right tools to give you accurate, instant, reliable and error-free information to maximise the control you have over your business performance and results.

Key Features:

- Bank Reconciliation
- Account Vouching (Receive/Payment/Journal) both Cash/Bank
- Financial accounting
- Account Receivable
- Account Payable
- Payment transactions (or payment management)
- Cost accounting
- Investment accounting
- Fixed assets management
- Employee expenses management
- Billing
- Controlling
- Consolidation

Accounting Process
