

X ACCOUNTS

(FINANCIAL ACCOUNTING SOLUTION)

Providing Cutting Edge Solutions to financial industries

Cygnus Innovation's X ACCOUNTS (FINANCIAL ACCOUNTING) solution is a complete financial suite designed to integrate with your industry- and company-specific applications. The application provides real-time financial visibility and control across people, processes and systems.

Effective business management has at its core proficient financial management. It's vital to have the right tools to give you accurate, instant, reliable and error-free information to maximise the control you have over your business performance and results. With XACCOUNTS, we get the help of our need to attract the right people, develop and leverage their talents, align their efforts with corporate objectives, and retain top performers.
